

Before you donate books to the library, make sure they are NOT:

- Left at the door (staff must approve)
- Small paperback novels
- Cookbooks
- Fiction or Non-Fiction from before 2010
- Children's books
- Encyclopedias, dictionaries, textbooks, or Reader's Digests
- Moldy, damaged, torn, etc.

We love books, we just do not have space for every book! We can only accept Fiction and Non-Fiction books written after 2010 in good condition at this time. Thank you for your understanding!
