

Ford City Public Library 2026 Summer Reading Program

STORYTIME

Wednesdays @11:30AM & 1PM for Ages 3+

6/10 **WHEN SUE FOUND SUE**
Learn about paleontology, and make your own fossils with air dry clay!

6/17 **THE STREET BENEATH MY FEET**
Learn about the layers of the earth, and layer sand, pebbles, fossils, and more in a jar to take home!

6/24 **THE DINOSAUR IN THE GARDEN**
Explore what the world around us would have been like for dinosaurs, then get creative with dinosaur painting sheets!

7/1 **OLD ROCK (IS NOT BORING)**
Imagine the stories one old rock has seen! Make your own message, story, or work of art with rocks & pebbles.

7/8 **MAYHEM AT THE MUSEUM**
Explore dinosaur exhibits and how they're put together! Make your own dino skeletons with paper and pasta.

7/19 **ANCESTORY: THE MYSTERY & MAJESTY OF ANCIENT CAVE ART**
Explore ancient human life in a world after dinosaurs, then try out making your own cave art!

No registration necessary.
