

Passport Acceptance Facility

The Apollo Memorial Library is a certified Passport Acceptance Facility. We have 2 staff members who are trained to process new applications and to review renewal applications for passports.

We ask that anyone who would like to come to the library for passport processing please call the day before or the day that you would like to come in to make sure that one of our trained staff members can/will be there to help you. Saturdays are by appointment only, so please call and schedule if Saturday is the only day you are available.
